

## **PRESS RELEASE**

### **Are you Harpenden's answer to Tiger Woods?**

#### **Free golf lessons for beginners and families at Redbourn Golf Club Open Day, including a fun water splash golf challenge**

*(Redbourn, Hertfordshire – April 17, 2008)* Free golf lessons and a fun water splash golf challenge are the star attractions at a fun Open Day at Redbourn Golf Club, on Saturday April 26, from midday to 4pm.

Families, new golfers and absolute beginners are all being welcomed to the special event, designed to get more local people into golf and experience the health and social benefits of one of Britain's most popular sports, played by four million people.

“Golf is a great game that can be enjoyed by men and women of all ages, and is ideal for families,” said Tristan Hall, general manager of Redbourn Golf Club. “Golf is now much more accessible than it used to be and the idea of the Open Day is to give everyone the chance to enjoy their first experience of golf as part of a fun, informal day – and give kids a chance to play Tiger Woods' game for real, not just on a computer.”

As well as free lessons with the club's teaching professionals (limited places are available, so pre-booking is essential), Redbourn Golf Club's Open Day will feature free tri golf sessions for children of all ages, a putting challenge and a splash water golf challenge – where children win prizes for landing golf shots in water-filled paddling pools – from distances of up to 30 yards.

The free adult taster lessons last for 15 minutes and include free driving range balls for practice for all pre-booked attendees. Other activities taking place include a sale in the golf shop and a special Open Day membership offer.

Funds will also be raised for Grove House, a hospice providing care and support for people affected by cancer and other life-limiting illnesses in St Albans, Harpenden, Hemel Hempstead and the surrounding area.

To pre-book a free lesson, call Steve Hunter on 01582 793493, or email: [info@redbourngc.co.uk](mailto:info@redbourngc.co.uk)
